

**REMARKS**

Applicant has amended FIG. 2 in the drawings to correct an obvious typographical error. Specifically, the text at element 38 has been changed from "access network radio session client" to --radio access network session client--. Support for this amendment can be found in the specification at, for example, page 3, lines 1-4 (providing that "RSC" stands for RAN session client) and page 6, lines 24-29 (identifying element 38 as an "RSC"). Consequently, no new matter has been added by this amendment.

If there are any additional fees or refunds required, the Commissioner is directed to charge or debit Deposit Account No. 13-2855.

Respectfully submitted for,
